

BOOKING GUIDELINES

From April 12th

Six people from up to six different households can mix outdoors. If just two households come together they can meet with no cap on their size- however we have decided to place a cap at 12 due to our table configuration. Indoors seating will be closed.

From May 17th

People can meet in groups of up to 30 outdoors. Indoors will be open- Six people from up to six different households can mix indoors. If just two households come together they can meet with no cap on their size- however we have decided to place a cap at 12 due to our table configuration.

From June 21st

All limits will be lifted.

Please note the above are tentative dates, if the government reverses their decision we will contact you to cancel or reduce your booking size/move it outside- please note we can not guarantee an alternative will be given.

Please be aware that if you or your party do not comply with social distancing you will be asked to leave. For parties of 12 and over please email steph@exalebrewing.com (do not email requests/changes to this email use your booking email)

We have a limited number of walk-in tables or you can book your table online. By law you are required to wear a face covering when not seated and scan the qr code located on the menus on arrival and register yourself and all guests. If you refuse to register your track and trace details you will be asked to leave.

Please arrive within 30 minutes of your booking, if you are delayed by more than 30 minutes we may not be able to accommodate you. Please email requests/changes to your booking email. When arriving please check in with our team who will show you to your table.

Takeaway: Takeaway is available, including pints please order via the QR code at the order point or at your table please do not come to the bar.

Children: children welcome until 8pm

Card authorisation for booking: We require a £5 per guest authorisation (for bookings of 12 plus we require £15) . Nothing will be taken from your card however if you fail to show at all or without 20% of your guests booked your card may be charged.

Illness: If you or any of your party are ill with Covid symptoms do not come to the taproom.

Sanitising stations: Upon arrival please sanitise your hands at one of our stations, please continue to do this frequently throughout your visit. Our team will wash their hands before serving each and every customer.

Table set up and customer flows: We've set out tables for groups in line with Government social distancing guidelines. Do not move the tables. Do not mix with other tables. No standing, No dancing, No circulating. No ordering at the bar. We cannot accommodate any group tables next to each other as we cannot ensure social distancing will be complied with. These rules are enforceable by law and if you do not adhere to them it endangers our license, other customers and the team. So please help our team by sticking to them.

Food: Throughout the year we will have food vendors outside. See our website for details. Food is prepared ensuring guidelines are followed. To order please queue following the spacing markers. Your food will be delivered to your table.
